### **NASIG Conference Mentoring Program**

*Sandy Folsom, Chair, NASIG Mentoring Group*

NASIG's Mentoring Group is again sponsoring a Conference Mentoring Program to help make new conference attendees feel more at ease, highlight membership benefits and create networking opportunities. The program will match experienced NASIG conference attendees with first-time attendees.

The only requirement to be a mentee is attendance at the 32nd Annual NASIG Conference in Indianapolis.

To be a mentor, we ask that you have attended a previous NASIG conference, be willing to make contact with your mentee prior to the conference, and be willing to meet with your mentee at the conference. Of course, we hope you'll also check on your mentee periodically during the conference.

We invite all mentees and mentors to the First-timers Reception on Thursday, June 8 at 4:00 pm. This is a great time to meet up with your mentor or mentee and get to know one another.

The deadline for applications will be Wednesday, May 24, 2017. After all applications are received, we will contact you with the name of your mentor or mentee. This program has been very successful for a number of years and we look forward to your participation this year!
